

"Nothing New Under the Sun"

- 2 Timothy 4:9-22

"For we know that all creation has been groaning as in the pains of childbirth right up to the present time." - Romans 8:22 NLT

The world is pretty much the same, but we shouldn't be discouraged thinking that our living purpose as Christians has made no difference, but instead understand that the world needs us to live out our purpose now, more than ever.

The world is pretty much subject to the same conditions as always.

- I. People still _____ each other. (Vv. 9, 11-13)
- II. People still _____ each other. (Vv. 10, 16a)
- III. People still _____ God's purposes. (Vv. 14-15)
- IV. People still _____ God's _____. (Vs. 16)
- V. God is _____ faithful!.

**Decision for the Week:
I will honor God by remaining faithful to
His purpose for me AT ALL COSTS!**
