

“A New Thing, an Eternal God”

- Isaiah 43:14-20

“Jesus Christ is the same yesterday, today, and forever.” – Hebrews 13:8 NLT

God is who He is, always has been, and always will be. Part of who he is, is Creator. By the very nature of that truth, He is *creative*. So, WHO He is doesn't change, but HOW He does things can change in line with His creativity. And if who He is, is constant, and how He is, is creative, He is constantly creative.

God is always busy at work doing a new thing on our behalf.

God is at work...

- I. In our _____ times. (Vv. 16-17)
- II. In our _____ times. (Vv. 19-20)
- III. In our _____ times. (Vv. 19-20)
- IV. To do something _____! (Vs. 18)
- V. Whether we _____ it or not! (Vs. 19)

Decision for the Week:

Lord, help me see the new and greater things You may already be doing in spite of the distractions that alter my perceptions!

IMPORTANT HAPPENINGS

- **NEXT SUNDAY**, as a part of our Worship Gathering, we will have a congregational vote on a merger with Story Church. If we come together as one church family the plan would ultimately be that this campus become the home for the new church family after renovations are made to ready the building for expanded ministry.
- **Our monthly “Young at Heart” sponsored Fellowship Meals will be resuming on Sunday, October 8th after our morning worship gathering.**
